

Valentine's Day

I HAVE A SURPRISE FOR
YOU...

Trip to
Paris

A Valentine's Day card template with a pink background. At the top, the text "Valentine's Day" is written in a large, red, bubbly font with white hearts on either side. Below this, the text "I HAVE A SURPRISE FOR YOU..." is written in a gold, hand-drawn font. In the center is a large, grey heart. The card is decorated with various hand-drawn elements: red hearts with white polka dots, red hearts with white stripes, gold hearts, white clouds, and gold arrows. Some of these elements are on strings, giving the impression of balloons or falling confetti.
